No. 6360A.R.P.—23rd/24th December 1943.—Dr. Amal Krishna Pal, M.B., is temporarily appointed as a House Surgeon in the Emergency Medical Service at the Noakhali Sadar Emergency Hospital, with effect from the date of joining, until further orders.

No. 6375A.R.P.—24th December 1943.—With a view to giving the public and all concerned a general idea as to the organisation that has been set up for the salvage of private property in Calcutta and Howrah after an air-raid, it is considered desirable to publish the salvage scheme drawn up by the Government of Bengal for these areas and to refer briefly to the statutory powers taken for the purpose under the Defence of India Rules. In the Public Health and Local Self-Government Department notification No. 275 A.R.P., dated the 29th January 1942, the Chief Salvage Officer, Government of Bengal, has been authorised under rule 78 (2) of the Defence of India Rules to do any work on any land or palce anything in, on or over any land in accordance with the provisions of the said rule. Further, the order issued under rule 78B of the Defence of India Rules and published under notification No. 5793 A.R.P, dated the 8th November 1943 (which has replaced the previous notification No. 1837 A.R.P., dated the 30th May 1942) makes provisions for the collection, sorting, storage and disposal of salvage in Calcutta and Howrah under the supervision and control of the Chief Salvage Officer (and elsewhere under the District Magistrate), "salvage" being defined therein to mean any *movable* property in any premises to which substantial damage has occurred by reason of war operations but *not* including things which previously formed part of the immovable property of such premises. In pursuance of the provisions of this order, again, executive instructions regarding admission and disposal of petitions for claims to salvage, the procedure for sale by public auction of the unclaimed salvage except cash, and other details have been laid down by Government.

The salvage scheme drawn up by Government for Calcutta and Howrah, showing the organisation established and its actual working in these areas under the general guidance and supervision of the

Chief Salvage Officer, Bengal, and having due regard to the aforesaid rules and orders, is explained below:—

Section I—Scope of the scheme.

The Scheme is designed:—

(*a*) to assist owners anxious to remove property from damaged buildings.

(*b*) to arrange for—

(1) salvage and custody of property found in occupantless buildings damaged by air raids,

(2) return of salvage to rightful owners,

(3) disposal of salvage not claimed within the statutory period and deposit of sale proceeds for the benefit of the owner.

Section II—Area.

Calcutta Corporation Area and Howrah Municipal Area.

Section III—Organisation.

Messrs. Landale and Clark, Ltd., will organise mobile squads for salvage operations, to be undertaken at the direction of the Chief Salvage Officer.

Salvage has been classified as Heavy Salvage and Light Salvage.

Heavy salvage will be dealt with by Messrs. Landale and Clerk, Ltd.

It will be the responsibility of the A.R.P. Controller to inform the Chief Salvage Officer as soon as feasible at what incidents heavy salvage work is required. Full address and sufficient particulars of the premises where heavy salvage is actually required will be supplied to the Chief Salvage Officer, Mr. P. R. Sinha, who can be found at:—

Block I, 1st Floor, Writers' Buildings, Telephone No. Cal. 6850, Extension 44, during office hours on working days, and

At 36V, Russa Road, Calcutta, Telephone No. South 1017, on holidays, and beyond office hours on working days.

Telephonic communications to the Chief Salvage Officer will be confirmed later in writing. For this purpose, Incident Officers when sending in Final Reports of an incident will state whether there is heavy salvage to be done, so that the A.R.P. Controller may be in a position to take necessary action accordingly.

Light salvage consisting of easily movable personal effects of which the owner cannot be found on the spot will be dealt with by the A.R.P. services and the police. The police will be responsible for the custody of light salvage until they hand it over to the Chief Salvage Officer. The A.R.P. services will help the police if required, *e.g.*, in collecting light salvage or in helping to guard light salvage at an incident until it can be removed by the police, or in identifying owners on the spot. Light salvage at an incident will be handed over to the police before the A.R.P. services working at the incident leave it. The police will have ready a supply of large gunny bags in which light salvage collected at an incident may be stored. Light salvage collected from the same premises should be put in the same bags to which labels should be affixed showing the number and particulars of the premises.

The police will arrange, as far as practicable, for guarding salvage, both light and heavy, until the same is removed from the premises under the direction of the Chief Salvage Officer. Otherwise, salvaged property whether light or heavy, should be left in the same or in neighbouring premises under lock and key with an intimation to the Chief Salvage Officer as to where the keys will be available. The keys will be delivered to the Chief Salvage Officer, or to a person authorised by the Chief Salvage Officer, when required. Where it is not possible to leave salvaged property in or near the damaged premises, the police may remove light salvage to some place of intermediate storage, giving previous intimation to the Chief Salvage Officer to be confirmed later in writing. The Chief Salvage Officer will thereafter arrange for removal of such light salvage to the salvage godown and send a written order to the police for delivery of such salvage to an authorised person.

The A.R.P. services with the police will assist owners to look after property in damaged houses until the owners can arrange for proper custody; and the A.R.P. services will assist householders when necessary in moving articles from damaged houses to a safe place.

Section IV—Warning.

The Commissioner of Police, Calcutta, and the District Magistrate, Howrah, will arrange to inform the Chief Salvage Officer of any area where salvage operations are required. The Chief Salvage Officer [being the person empowered under rules 78(2) and 78B of the Defence of India Rules] will call on Messrs. Landale and Clark, Ltd., to undertake operations. This will be as soon after the "Raiders passed" signal as possible and after the Fire-fighting, Rescue, Casualty and other services more urgently required have left the field free for salvage squads.

Section V—Transport.

Messrs. Landale and Clark, Ltd., will use their own means of transport. In the event of inadequacy of their existing transport arrangements the Chief Salvage Officer will requisition from Chief Civil Defence Commissioner.

Section VI—Storage, Office, and Staff.

A. Messrs. Landale and Clark's salvage godown will be utilised for storage and ground office of the Chief Salvage Officer.

B. Staff: Only the following staff will be necessary:—

(1) One general Assistant (Criminal Court Peshkar class, to keep claims records and registers and do routine correspondence).

(2) One Accountant (Finance Department Assistant, to keep accounts registers, to credit sale proceeds, to check bills and generally to attend to all other accounts matters).

(3) Typist.

(4) One cycle peon.

(5) Two orderlies.

Section VII—Procedure.

(*a*) Perishable foodstuff will be immediately sold to communal kitchens or private dealers as the case may be.

(*b*) All metal slavage will be stored separately and the Chief Salvage Officer will arrange to send them to places suggested by the Deputy Secretary, Supply Department, Government of India.

(*c*) All unclaimed salvage will be valued by the salvage contractors, before being put up to sale.

(*d*) For the collection, storage and disposal of the salvage, the procedure prescribed by Government under the rules and orders referred to before will be followed.

Section VIII—Insurance Companies.

Normally accident insurance policies do not cover war damages. The Chairman, War Risks Goods Insurance Committee, agrees to send assessors to Government salvage godown, on receipt of claims, for assessment of value of salvage, in case such articles were insured under the War Risks Goods Insurance Ordinance. They would not object to salvage being done at the earliest possible moment.

Section IX—Service badge.

Will be as follows:—

Crown Salvage.

Section X—Distinguishing marks.

Blue brassards with the service badge imposed thereon ("Salvage" in red) will be worn on the left upper arm by all men and officers of the service, when on duty and only when on duty. Paper badges will be affixed to all motor vehicles used on salvage work.

Section XI—Powers.

Necessary powers under rules 78 (*2*) and 78B of the Defence of India Rules have been conferred on the Chief Salvage Officer.

As regards the collection and disposal of things (such as building materials, fixtures in buildings, etc.), which become detached from *immovable* property by reason of war operations and also in course of demolition required to be carried out on premises rendered dangerous as a result of war operations, the Chairman, Calcutta Improvement Trust, has been separately entrusted with this work in Calcutta and Howrah (and the District Magistrates in other areas) to be carried out by the engineering staff of the Trust through its contractors, and necessary powers have been conferred on him and necessary provisions made under the Defence of India Rules.

By order of the Governor,

2. *Compulsory Insurance.*—As from the 16th November 1943, all employers to whom the Act applies must insure their liability with the Central Government and the Act prescribes heavy penalties for failure to insure or failure to pay any advance against premium due or failure to pay compensation due under the Act.

3. *Employers to whom the Act applies.*—The Act applies to all employers throughout British India of persons employed in:—

Please indicate category or categories of employments in item 4 of the Form.

4. *Employers not required to insure.*—The following classes of employers are not required to insure under the Act:—

(*a*) The Crown; [section 9(*3*)].

(*b*) Federal Railway, unless otherwise ordered by the Central Government; [section 9 (*3*)].

(*c*) Short-term contractors, *i.e.*, where the loaning or letting on hire of the services of the workman, or the execution of work, is for a term of less than one month; [section 12 (*2*)].

(*d*) Employers exempted under section 19 of the Act.

5. *Employees included.*—All direct employees, including Managers, Supervisors, Assistants, etc., and all Contractors' employees (see definition of "Contractor") are included in the Scheme. It should be noted that all employees in the employments referred to are covered and the application of the Act is not restricted to a specific class, *e.g.*, "Workers" defined in the Factories Act.

6. *How to insure.*—The application Form overleaf should be completed and forwarded in *duplicate* to a Government Agent.

All applications, must be accompanied by a remittance to cover the prescribed advance payment against premium calculated to the nearest anna. Remittances by cheque on out-station banks must include bank exchange.

7. *Date by which policy to be taken.*—An application for taking out a policy of insurance shall be made:—

(*a*) if the employer had been an employer for one complete quarter before the 1st January 1944, then on or after 10th January 1944 and not later than 9th February 1944;

(*b*) in all other cases, within one month of the employer's having been an employer for one quarter.

8. *Government Agents.*—The Government of India have appointed certain Insurance Companies to act as Government Agents and to issue policies under the Scheme. If the employer is already insured in respect of his liability under the Indian Workmen's Compensation Act it is recommended that the insurance under the War Injuries (Compensation Insurance) Act, 1943, should be arranged through the same Insurance Company.

9. *Rate of premium.*—The total premium payable will be decided by Government after the termination of hostilities when the total liability has been ascertained. In the meantime, employers will be required to pay to Government periodic advance payments against this premium and the amount of any such advance payment will be such percentage of the total wages bill as may be prescribed by Government from time to time.

The rate of first advance premium has been fixed at annas four per Rs. 100 of the wage bill.

10. *Definition of "Wages".*—For the purposes of computing the amount of compensation payable, "wages" means wages as defined in the Workmen's Compensation Act, 1923, *i.e.*, "Wages" includes any privilege or benefit which is capable of being estimated in money, other than a travelling allowance or the value of any travelling concession or the contribution paid by the employer of a workman towards any pension or provident fund or a sum paid to a workman to cover any special expenses entailed on him by the nature of his employment.

For the purpose, however, of computing the "wages bill" on which is based the amount of premium, the total is taken only of "the gross *cash* wages of all workmen excluding all that part of gross cash wages of individual employees which exceeds Rs. 300 per month, and all allowances given against increased cost of living".

It is the wage bill so computed that should be entered in the application form.

11. *Definition of "Contractor".*—Please see section 12 of the Act. Unlike the provisions of the Workmen's Compensation Act, 1923, the "contractor," is liable in respect of workmen whose services are temporarily lent or let on hire to another.

The liabilities of the Principal and Contractor under the Scheme are as follows:—

The Contractor.—(*a*) The contractor shall be under an obligation in like manner as if he were any other employer for insuring the workman working under him.

(*b*) The contractor shall be responsible for informing the Principal of the name of the Government Agent with whom he intends to insure.

The Principal.—The Principal shall be responsible for bringing to the notice of the Government Agent with whom he has insured the existence of any contractors working under him. The Principal will not be responsible for the accuracy of figures included in the application made by the contractor.

12. *Definition of "Quarter".*—A "Quarter" means a period of three months commencing on the first day of April, July, October, and January.

For "relevant quarter" for which the wages are calculated and advance of premium paid, please see clause 8 of the Scheme.

Explanation (*2*).—The presence of mosquito larvae or pupae or both in any collection of stagnant or flowing water shall be evidence that such water is a breeding place for mosquitoes.

(*b*) Where in the opinion of the Health Officer or any Municipal Officer authorised by him in this behalf a collection of stagnant or flowing water is or is likely to become a breeding place for mosquitoes he may, by written notice, require the owner or occupier of the land or building to which such collection of water pertains, to cleanse or to fill up the same with suitable material or to drain off or remove water therefrom or to treat the same in one or more of the methods specified below or to take such other order therewith as the Health Officer or the said Municipal Officer may deem necessary with a view to render such collection of water permanently unfit as a breeding place for mosquitoes:—

(*c*) In any such case the Health Officer or any Municipal Officer authorised by him in this behalf may, between sunrise and sunset, enter upon the premises to which such collection of water pertains and may, forthwith and without notice, take such steps as he thinks proper to destroy any mosquito larvae or pupae or both that may be found thereon and to render such collection of water unfit as a breeding place for mosquitoes by treating the same in one or more of the aforesaid methods; and all expenses incurred by the Health Officer or the said Municipal Officer in so doing shall, in his discretion, be paid by the owner or occupier of the land or building who shall not be entitled to compensation for any damage that may be sustained by him by the exercise of such power in good faith and in a reasonable manner.

(*d*) Any person who fails to comply with any direction lawfully given to him or any requisition lawfully made upon him under this sub-rule shall be punished with fine which may extend to two hundred rupees and in the case of a continuing breach with fine which may extend to fifty rupees for every day during which the breach continues after conviction for the first breach."

INSTRUCTIONS.

1. *Liability.*—The above Act imposes on employers of persons engaged in essential services, in factories, mines, major ports, plantations and other employments to be specified, an obligation to pay compensation in respect of war injury to their employees calculated approximately to amount to the difference between the amount paid by Government under the War Injuries Scheme and the amount which would have been payable under the Workmen's Compensation Act, 1923, if the war injury had given a right to compensation thereunder. The Act extends to the whole of British India and applies also to British subjects in any part of India.

2. *Compulsory Insurance.*—As from the 16th November 1943, all employers to whom the Act applies must insure their liability with the Central Government and the Act prescribes heavy penalties for failure to insure or failure to pay any advance against premium due or failure to pay compensation due under the Act.

3. *Employers to whom the Act applies.*—The Act applies to all employers throughout British India of persons employed in:—

(*a*) any employment or class of employment to which the Essential Services (Maintenance) Ordinance, 1941, has been declared under section 3 of that Ordinance to apply, whether such declaration is or is not subsequently revoked;

(*b*) any factory as defined in clause (*j*) of section 2 of the Factories Act, 1934;

(*c*) any mine within the meaning of the Indian Mines Act, 1923;

(*d*) any major port as defined in the Indian Ports Act, 1908;

(*e*) any estate which is maintained for the purpose of growing cinchona, coffee, rubber or tea, and on which on any one day in the preceding twelve months twenty-five or more persons have been employed as workmen;

(*f*) any employment specified in this behalf by the Central Government by notification in the Official Gazette.

Please indicate category or categories of employments in item 4 of the Form.

4. *Employers not required to insure.*—The following classes of employers are not required to insure under the Act:—

(*a*) The Crown; [section 9(*3*)].

(*b*) Federal Railway, unless otherwise ordered by the Central Government; [section 9 (*3*)].

(*c*) Short-term contractors, *i.e.*, where the loaning or letting on hire of the services of the workman, or the execution of work, is for a term of less than one month; [section 12 (*2*)].

(*d*) Employers exempted under section 19 of the Act.

5. *Employees included.*—All direct employees, including Managers, Supervisors, Assistants, etc., and all Contractors' employees (see definition of "Contractor") are included in the Scheme. It should be noted that all employees in the employments referred to are covered and the application of the Act is not restricted to a specific class, *e.g.*, "Workers" defined in the Factories Act.

6. *How to insure.*—The application Form overleaf should be completed and forwarded in *duplicate* to a Government Agent.

All applications, must be accompanied by remittance to cover the prescribed advance payment against premium calculated to the nearest anna. Remittances by cheque on out-station banks must include bank exchange.

7. *Date by which policy to be taken.*—An application for taking out a policy of insurance shall be made:—

(*a*) if the employer had been an employer for one complete quarter before the 1st January 1944, then on or after 10th January 1944 and not later than 9th February 1944;

(*b*) in all other cases, within one month of the employer's having been an employer for one quarter.

8. *Government Agents.*—The Government of India have appointed certain Insurance Companies to act as Government Agents and to issue policies under the Scheme. If the employer is already insured in respect of his liability under the Indian Workmen's Compensation Act it is recommended that the insurance under the War Injuries (Compensation Insurance) Act, 1943, should be arranged through the same Insurance Company.

9. *Rate of premium.*—The total premium payable will be decided by Government after the termination of hostilities when the total liability has been ascertained. In the meantime, employers will be required to pay to Government periodic advance payments against this premium and the amount of any such advance payment will be such percentage of the total wages bill as may be prescribed by Government from time to time.

The rate of first advance premium has been fixed at annas four per Rs. 100 of the wage bill.

10. *Definition of "Wages".*—For the purposes of computing the amount of compensation payable, "wages" means wages as defined in the Workmen's Compensation Act, 1923, *i.e.*, "Wages" includes any privilege or benefit which is capable of being estimated in money, other than a travelling allowance or the value of any travelling concession or the contribution paid by the employer of a workman towards any pension or provident fund or a sum paid to a workman to cover any special expenses entailed on him by the nature of his employment.

For the purpose, however, of computing the "wages bill" on which is based the amount of premium, the total is taken only of "the gross *cash* wages of all workmen excluding all that part of gross cash wages of individual employees which exceeds Rs. 300 per month, and all allowances given against increased cost of living".

It is the wage bill so computed that should be entered in the application form.

11. *Definition of "Contractor".*—Please see section 12 of the Act. Unlike the provisions of the Workmen's Compensation Act, 1923, the "contractor," is liable in respect of workmen whose services are temporarily lent or let on hire to another.

The liabilities of the Principal and Contractor under the Scheme are as follows:—

The Contractor.—(*a*) The contractor shall be under an obligation in like manner as if he were any other employer for insuring the workman working under him.

(*b*) The contractor shall be responsible for informing the Principal of the name of the Government Agent with whom he intends to insure.

The Principal.—The Principal shall be responsible for bringing to the notice of the Government Agent with whom he has insured the existence of any contractors working under him. The Principal will not be responsible for the accuracy of figures included in the application made by the contractor.

12. *Definition of "Quarter".*—A "Quarter" means a period of three months commencing on the first day of April, July, October, and January.

For "relevant quarter" for which the wages are calculated and advance of premium paid, please see clause 8 of the Scheme.

*The Governor General has been pleased to give the previous sanction required by sub-section (*2*) of section 67 of the Government of India Act, as saved from repeal by paragraph 12 of the Government of India (Commencement and Transitory Provisions) Order, 1936, and by clause (*b*) of sub-section (*1*) of section 108 of the Government of India Act, 1935, to the introduction in the Legislative Assembly of this Bill.

(3) Different tariff values may be fixed for different classes or descriptions of the same article.

4. Determination of value for the purposes of duty.—Where under this Act any article is chargeable with duty at a rate dependent on the value of the article, such value shall be deemed to be the wholesale cash price for which an article of the like kind and quality is sold or is capable of being sold for delivery at the place of manufacture and at the time of its removal therefrom, without any abatement or deduction whatever except trade discount and the amount of duty then payable.

5. Power of Central Government to impose Customs duty on goods mentioned in the First Schedule.—The Central Government may, by notification in the official Gazette, impose on any excisable goods brought into British India from the territory of any Indian State, not being territory which has been declared under section 5 of the Indian Tariff Act, 1934 (XXXII of 1934) to be foreign territory for the purposes of that section, a duty of customs equivalent to the duty of excise imposed by this Act on the like goods produced or manufactured in British India.

6. Certain operations to be subject to licence.—The Central Government may, by notification in the official Gazette, provide that, from such date as may be specified in the notification, no person shall engage in the production or manufacture or in any process of the production or manufacture of any specified excisable goods or of saltpetre or of any specified component parts or ingredients thereof or of specified containers of such goods or in the wholesale purchase or sale (whether on his own account or as a broker or commission agent) or in the storage of such goods, except under the authority and in accordance with the terms and conditions of a licence granted under this Act.

7. Form and conditions of licence.—Every licence under section 6 shall be granted for such area, if any, for such period, subject to such restrictions and conditions, and in such form and containing such particulars, as may be prescribed.

8. Restriction on possession of excisable goods.—From such date as may be specified in this behalf by the Central Government by notification in the official Gazette, no person shall, except as provided by rules made under this Act, have in his possession excisable goods in excess of such quantity as may be prescribed for the purposes of this section as the maximum amount of such goods or of any variety of such goods which may be possessed at any one time by such a person.

12. Application of the provisions of Act VIII of 1878 to central excise duties.—The Central Government may, by notification in the official Gazette, declare that any of the provisions of the Sea Customs Act, 1878, relating to the levy of and exemption from customs duties, drawback of duty, warehousing, offences and penalties, confiscation, and procedure relating to offences and appeals shall with such modifications and alterations as it may consider necessary or desirable to adapt them to the circumstances, be applicable in regard to like matters in respect of the duties imposed by section 3.

Provided that—

(a) if the Central Excise officer is of opinion that there is sufficient evidence or reasonable ground of suspicion against the accused person, he shall forward him to a Magistrate having jurisdiction in the case;

(b) if it appears to the Central Excise officer that there is not sufficient evidence or reasonable ground of suspicion against the accused person, he shall release the accused person on his executing a bond, with or without sureties as the Central Excise officer may direct, to appear, if and when so required before the Magistrate having jurisdiction, and shall make a full report of all the particulars of the case to his official superior.

27. Penalties for resisting officer.—Any master of a vessel refusing or neglecting to bring-to the vessel or to produce his papers when required to do so by an officer acting under section

26, and any person obstructing any such officer in the performance of his duty, may be arrested by such officer without a warrant, and shall be punishable with imprisonment for a term which may extend to six months or with fine which may extend to one thousand rupees, or with both.

28. Confiscation of vessel and cargo.—(*1*) Every vessel (including all appurtenances) in which any excisable goods are carried so as to render the owner or master of such vessel liable to penalties imposed by section 24, the cargo on board such vessel and the excisable goods in respect of which an offence under this Act has been committed shall be liable to confiscation on the orders of the officer empowered in this behalf by the Central Government.

(*2*) Whenever any Customs-officer is satisfied that any article is liable to confiscation under this section he may seize such article, and shall at once report the seizure to his superior officer for the information of the officer empowered to order confiscation under sub-section (*1*) and such officer may, if satisfied on such report or after making such inquiry as he thinks fit, that the article so seized is liable to confiscation, either declare it to be confiscated, or impose a fine in lieu thereof not exceeding the value of the article.

29. Jurisdiction.—Any offence punishable under section 24 or section 27 may be deemed to have been committed within the limits of the jurisdiction of the Magistrate of any place where the offender is found, or to which, if arrested under section 26 or section 27, he may be brought.

Provided that the Collector of Central Excise may at any time withdraw or withhold a licence from the proprietor of any such salt-work, if no salt has been manufactured, excavated or collected in such salt-work for the three years ending on the thirtieth day of June last preceding the date of his order, or, with the previous sanction of the Central Board of Revenue, if such salt-work has not produced, on an average, during the said three years, at least five thousand maunds of salt per annum.

Such authority or officer may thereupon make such further inquiry and pass such order as he thinks fit, confirming, altering or annulling the decision or order appealed against:

DEPARTMENT OF AGRICULTURE, BENGAL.

Calcutta, the 28th December 1943.

First Forecast of the Spring Oilseed Crops of Bengal, 1943-44.

(*Note.*—On an average of the five years ending 1941-42, the area under linseed in Bengal has represented some 3·8 per cent. and that of rape and mustard 12·2 per cent. of the total area under these crops in India.)

Explanatory.—Three forecasts are issued for the spring oilseed crops. The present one deals with the area sown and the condition of the crops.

Area sown.—Spring oilseeds are chiefly grown in the Presidency, Rajshahi and Dacca Divisions. In the other two divisions the cultivation is not so extensive. The total area under these crops (excepting sesamum for which separate forecasts are issued) is returned at 1,008,600 acres this year against 1,079,700 and 1,087,200 acres, respectively, in the corresponding and the final forecasts of last year.

Character of the season.—Sowings commenced generally in normal time under favourable conditions and the present condition of the crops is reported to be fair.

M. CARBERY, Director.

SCHEDULE A.

(*See* CLAUSES 2, 9 AND 10.)

Explanatory Note.—In this Schedule drugs are grouped in three Parts. Part I includes common medical preparations which contain the same sole active ingredients but are often manufactured under different names by different firms. A uniform ceiling price has been fixed for each such preparation, but where the manufacturer's listed retail price is less than this figure, that price shall be deemed to be the ceiling price for that particular manufacturer's drug. Unless otherwise stated, all preparations which contain any of the substances mentioned in Part I of the Schedule as the sole active ingredient are subject to the ceiling price fixed for such substance. Part II includes other preparations for each of which a ceiling price has been fixed. Basic pharmaceutical chemicals are shown in Part III.

2. Certain drugs are indicated by an asterisk with reference to Clause 10 of the Order. These do *not* require to be marked in the manner specified in Schedule B.

3. The ceiling prices include the cost of the container, and no extra amount may be charged therefor.

4. In the case of drugs which are sold in quantities or sizes different from those shown in column 2, the ceiling price shall be calculated *pro rata* on the price for the smallest unit: provided that as regards drugs specified in Part III which are sold in quantities *smaller* than those shown in column 2 and the dealer has to break bulk, the ceiling price stated in columns 3 and 4 shall be deemed to be increased by 20 per cent., and an additional charge may be made for the container in which the smaller quantity is sold according to the following scale:—

Bottles, phials, jars or pots with cork stoppers or covers (to contain up to 2 oz.)	**As. 4 each.**
Bottles, phials, jars or pots with cork stoppers or covers (to contain 3—8 oz.)	**As. 6 each.**
Bottles, phials, jars or pots with cork stoppers or covers (to contain over 8 oz.)	**As. 8 each.**

PART IVA—Bills introduced in the Bengal Legislative Assembly; Reports of Select Committees presented or to be presented to that Assembly; and Bills published before introduction in that Assembly.

GOVERNMENT OF BENGAL.

Legislative Department.

NOTIFICATION.

No. 15L.—6th January 1944.—The Governor having been pleased to order, under rule 47 of the Bengal Legislative Assembly Procedure Rules the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE BENGAL RENT RECOVERY (UNDER-TENURES) AMENDMENT BILL, 1944.

A

BILL

to amend the Bengal Rent Recovery (Under-tenures) Act, 1865.

WHEREAS it is expedient to amend the Bengal Rent Recovery (Under-tenures) Act, 1865 for the purpose and in the manner hereinafter apearing; Ben. Act VIII of 1865.

It is hereby enacted as follows:—

Short title.

1. This Act may be called the Bengal Rent Recovery (Under-tenures) Amendment Act, 1944.

Amendment of section 1 of Bengal Act VIII of 1865.

2. In section 1 of the Bengal Rent Recovery (Under-tenures) Act, 1865 (hereinafter referred to as the said Act) for the words "all officers exercising the full powers of a Collector of a district" the words "any officer vested with the powers of a Collector" shall be substituted.

Amendment of section 3.

3. In section 3 of the said Act—

(*a*) after the words "the lands lie" the words "or by other officer duly authorised in this behalf by the Provincial Government" shall be inserted, and

(*b*) after the words "by the said Collector" the words "or other officer as aforesaid" shall be added.

STATEMENT OF OBJECTS AND REASONS

Under the existing law the Collector of a district should hold Patni sales personally on every occasion and if he is rendered unable to do so under emergent circumstances the sales must be held up—a position which is extremely unsatisfactory. In order to get over this unsatisfactory position with regard to the holding of Patni sales, it is necessary to amend the Bengal Rent Recovery (Under-tenures) Act, 1865 so as to empower any officer other than the Collector, whom the Provincial Government may by notification appoint to exercise the functions of a Collector under that Act.

GOVERNMENT OF BENGAL.

NOTIFICATION.

No. 16L.—6th January 1944.—The Governor having been pleased to order, under rule 47 of the Bengal Legislative Assembly Procedure Rules the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE HINDU WOMEN'S RIGHTS TO PROPERTY (BENGAL AGRICULTURAL LAND) BILL, 1944.

A
BILL

to extend the operation of the Hindu Women's Rights to Property Act, 1937, to agricultural land in Bengal.

WHEREAS the Hindu women's Rights to Property Act, 1937, purported to give better rights to women in respect of property in general; XVIII of 1937.

AND WHEREAS it has now been established that the said Act does not operate to give women better rights in respect of agricultural land;

AND WHEREAS many transactions have already taken place in Bengal on the basis that women had acquired better rights under the said Act in respect of agricultural land as well as other kinds of property;

AND WHEREAS it is therefore expedient to extend the operation of the said Act to agricultural land in Bengal with retrospective effect, but with certain savings, for the purpose of giving women better rights under the

said Act in respect of agricultural land in Bengal as well as for validating the transactions referred to above and for other purposes;

It is hereby enacted as follows:—

Short title and extent.

1. (*1*) This Act may be called the Hindu Women's Rights to Property (Bengal Agricultural Land) Act, 1944.

(*2*) It extends to the whole of Bengal.

Extension of operation of Hindu Women's Rights to Property Act, 1937 to agricultural land in Bengal.

2. The expression "property" in the Hindu Women's Rights to Property Act, 1937, in its application to Bengal shall include, and shall be deemed always to have included agricultural land, and the provisions of the said Act shall apply to agricultural land in Bengal accordingly. XVIII of 1937.

Saving.

3. Notwithstanding anything contained in section 2 where any person who, but for this Act, would have been entitled to any property, has been in possession thereof or has before the 13th January 1944 made a transfer thereof, his possession up to the date of the commencement of this Act shall be deemed to be as lawful, and the transfer so made by him shall be deemed to be as valid, as if this Act had not been passed.

STATEMENT OF OBJECTS AND REASONS.

The Federal Court has held that the Hindu Women's Rights to Property Act, 1937 (XVIII of 1937) is *ultra vires* in so far as it relates to agricultural lands in the Governors' Provinces. In view of this it is considered necessary that legislation should be undertaken so as to extend the provisions of the Act to agricultural lands in this Province with retrospective effect in order to give widows the full measure of the benefit which the framers of the Act contemplated and to protect transactions already entered into on the faith of the Act with certain savings.

The Bill has been framed with these objects in view.

A

BILL

further to extend the operation of the Bengal Non-agricultural Tenancy (Temporary Provisions) Act, 1940.

WHEREAS it is expedient further to extend the operation of the Bengal Non-agricultural Tenancy (Temporary Provisions) Act, 1940; Ben. Act IX of 1940.

No. 32L.—10th January 1944.—The Governor having been pleased to order, under rule 48 of the Bengal Legislative Council Procedure Rules the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE CORONERS AND CRIMINAL PROCEDURE (BENGAL AMENDMENT) BILL, 1943.

A

BILL

to amend the Coroners Act, 1871 and the Code of Criminal Procedure, 1898.

WHEREAS it is expedient to amend the Coroners Act, 1871, and the Code of Criminal Procedure, 1898, in their application to Bengal in the manner hereinafter appearing; IV of 1871. Act V of 1898.

It is hereby enacted as follows:—

Short title.

1. This Act may be called the Coroners and Criminal Procedure (Bengal Amendment) Act, 1943.

Amendment of the Coroners Act, 1871 and Code of Criminal Procedure, 1898.

2. The Coroners Act, 1871, and the Code of Criminal Procedure, 1898, shall, in their application to Bengal, be amended in the manner provided in this Act.

mendment of ction 8 of ct IV of 1871.

3. To the first paragraph of section 8 of the Coroners Act, 1871, ending with the words "inquire into the cause of death" the following proviso shall be added, namely:—

"Provided that, unless the Provincial Government otherwise directs, no such inquiry shall be held in the case where the death of any person has been caused by enemy action."

Amendment of section 174 of Act V of 1898.

4. To sub-section (*1*) of section 174 of the Code of Criminal Procedure, 1898, the following proviso shall be added, namely:—

"Provided that, unless the Provincial Government otherwise directs, it shall not be necessary under this sub-section, in any case where the death of any person has been caused by enemy action, to make any investigation or to draw up any report or to send any intimation to a Magistrate empowered to hold inquests."

STATEMENT OF OBJECTS AND REASONS.

Under section 8 of the Coroners Act, 1871, or under section 174 of the Code of Criminal Procedure, 1898, in their application to Bengal, a Coroner or a Police Officer is required to hold inquests or to make any investigation in cases of deaths caused by an accident. Government are advised that a death caused by enemy action may be regarded as "accident" within the meaning of section 8 of the Coroners Act or section 174 of the Code of Criminal Procedure. In the case of fatal casualties caused by enemy air-raids, it is considered necessary to preclude inquests by the Coroner or any investigation by the Police Officer in such cases as this procedure is likely to cause great inconvenience and delay in the disposal of bodies. It is moreover unnecessary to have an inquest held or investigation made in such cases. It is therefore proposed to amend the Coroners Act and the Code of Criminal Procedure to provide that no inquiry should be held by the Coroner or by the Police Officer in cases of deaths caused by enemy action unless the Provincial Government so directs.

GOVERNMENT OF INDIA.

Legislative Department.

New Delhi, the 10th November 1943.

ORDINANCE No. XLI OF 1943.

AN

ORDINANCE

to impose a temporary duty of excise on certain sugar produced in British India.

WHEREAS an emergency has arisen which makes it necessary to impose a temporary duty of excise on certain sugar produced in British India;

NOW, THEREFORE, in exercise of the powers conferred by Section 72 of the Government of India Act, as set out in the Ninth Schedule to the Government of India Act, 1935 (26 Geo. 5, c. 2), the Governor-General is pleased to make and promulgate the following Ordinance:—

1. *Short title, extent and commencement.*—(*1*) This Ordinance may be called the Sugar (Temporary Excise Duty) Ordinance, 1943.

(*2*) It extends to the whole of British India.

(*3*) It shall come into force at once.

2. *Definitions.*—In this Ordinance, unless there is anything repugnant in the subject or context,—

(*a*) "Assessing Officer" and "Circle Officer" mean, respectively, any officer appointed by the Provincial Government or by the Collector of Central Excises and Salt Revenue having jurisdiction in the area to exercise the powers of an Assessing Officer or a Circle Officer under this Ordinance;

(*b*) "Assistant Collector" means an Assistant Collector of Central Excises and Salt Revenue and includes any officer specially authorised by the Central Board of Revenue or by the Provincial Government to exercise in any specified area all or any of the powers of the Assistant Collector for the purposes of this Ordinance;

(*c*) "factory" means any premises wherein or within the precincts of which twenty or more workers are working or were working on any day of the twelve months preceding the date of the commencement of this Ordinance;

(*d*) "sugar" means any form of sugar containing more than ninety per cent. of sucrose;

(*e*) "wholesale dealer" means any person who buys or sells sugar wholesale and includes a broker or commission agent who in addition to making contracts for the sale or purchase of sugar for others, stocks sugar belonging to others as an agent for the purpose of sale.

3. *Imposition of duty.*—A duty of excise at the rate of thirteen annas per standard maund shall be levied, and shall be payable to the Central Government, on all sugar produced in any factory in British India before the commencement of this Ordinance and owned or possessed at the commencement of this Ordinance by an owner of a factory or by a wholesale dealer.

4. *Disclosure of stocks.*—Every person owning or possessing sugar liable to the duty imposed by section 3 shall, within seven days of the date of the commencement of this Ordinance, submit to the Assessing Officer having jurisdiction in the area a full account in writing, containing the particulars entered in Form A set out in the Schedule and verified in the manner indicated in that form, of all sugar in his ownership or possession on the date of the commencement of this Ordinance, and shall specify therein the place where such sugar is stored and, if it is in transit from one place to another, the date, place and manner of despatch, its destination, the name and address of the consignee, and the date on which it is expected to reach such destination.

5. *Assessment and payment of duty.*—(*1*) On receipt of the return referred to in section 4 and after such further enquiry, if any, as he may think necessary, the Assessing Officer shall assess the duty payable on the sugar. If no return is submitted within the period specified in section 4, the Circle Officer, or, if the sum assessed exceeds two hundred rupees, the Assistant Collector, may make a summary assessment of the duty on such information as may be available to him.

(*2*) The amount so assessed shall be communicated in writing to the person owning or possessing the sugar with the particulars contained in Form B set out in the Schedule; and that person shall, not later than the 1st day of December, 1943, unless he obtains permission under sub-section (*3*) to pay by instalments, pay it into the local Treasury or any other Treasury approved by the Assessing Officer.

(*3*) Such payment may, with the permission of the Assessing Officer obtained when the assessment is communicated under sub-section (*2*), be made in instalments not more than three in number, of which, when three instalments are allowed, the first shall be not less than one-third of the total amount due and shall be paid not later than the 1st day of December, 1943, and the second shall be not less than one-half the balance due and shall be paid not later than the 1st day of January, 1944, and the third shall be paid not later than the 1st day of February, 1944 and, when two instalments are allowed, the first shall be not less than half the total amount due and shall be paid not later than the 1st day of December, 1943, and the second shall be paid not later than the 1st day of January, 1944.

6. *Recovery of duty with penalty.*—If the duty payable under section 3 is not paid in full before the 2nd day of February, 1944, or if any instalment is not paid in full by the date fixed by section 5, the Circle Officer, or, if the deficit exceeds one hundred rupees, the Assistant Collector may, in lieu of the amount left unpaid, recover any sum not exceeding double the amount left unpaid.

7. *Mode of recovery of duty.*—When default is made in the payment of any duty payable under section 3, or when any sum is to be recovered under section 6, the Assistant Collector may prepare a certificate signed by him specifying the amount due from the person liable to pay the same and send it to the Collector of the district in which such person resides or conducts his business and the said Collector, on receipt of such certificate, shall proceed to recover from the said person the amount specified therein as if it were an arrear of land revenue.

8. *Power to obtain information.*—An Assessing Officer or any person authorised in writing in this behalf by an Assistant Collector may at all reasonable times enter any place in which he has reason to believe that sugar liable to the duty imposed by section 3 is kept, and may inspect such place and may require any person found therein who is for the time being in charge thereof to produce to him and allow him to examine such accounts, books or other documents as may relate to the business carried on in such place and to furnish to him such information as he may require for the purpose of ascertaining whether or what sugar liable to duty is kept in such place or is elsewhere in the ownership or possession of the owner of such place.

9. *Disposal of sugar liable to duty.*—No person owning or possessing sugar liable to the duty imposed by section 3 shall sell or otherwise dispose of any sugar until the order of assessment has been communicated to him and until he holds a release order signed by the officer making the assessment:

Provided that nothing in this section shall apply to sugar sold retail in quantities not exceeding two pounds to one person at one time.

10. *Offences and penalties.*—Whoever commits any of the following offences, namely:—

(*a*) fails to supply the information required by section 4 or under section 8 or (unless with a reasonable belief, the burden of proving which shall be upon him, that the information supplied by him is true) supplies false information;

(*b*) evades the payment of any duty payable by him under this Ordinance;

(*c*) obstructs any Assessing Officer or other authorized person in the exercise of his powers under section 8;

(*d*) contravenes the provisions of section 9;

(*e*) attempts to commit, or abets the commission of any of the offences mentioned in the foregoing clauses of this section,

shall, for every such offence, be punishable with imprisonment for a term which may extend to one year, or with fine, or with both, and where the offence is committed, attempted or abetted in respect of sugar liable to duty under section 3 such fine may extend to five times the duty leviable on the sugar in respect of which the offence is committed, attempted or abetted.

11. *Power of Courts to order forfeiture.*—Any Court trying an offence under this Ordinance may order the forfeiture to His Majesty of any sugar in respect of which the Court is satisfied that an offence under this Ordinance has been committed, and may also order the forfeiture of any receptacles, packages or coverings in which such sugar is contained and the animals, vehicles, vessels or other conveyances used in carrying the sugar:

Provided that in ordering forfeiture under this section, the Court shall give the owner of the goods an option to pay in lieu of forfeiture such fine as the Court thinks fit.

12. *Appeals.*—(*1*) Any person aggrieved by any decision or order passed under section 5 or section 6 may, within one month from the date of such decision or order, appeal therefrom to the Collector of Central Excises and Salt Revenue having jurisdiction in the area; but the filing of such an appeal shall not, pending the appeal, absolve him from the obligation to pay the sum or sums specified in such decision or order.

(*2*) The Collector of Central Excises and Salt Revenue may thereupon make such further inquiry and pass such order as he thinks fit, confirming, altering or annulling the decision or order appealed against; and if the money deposited by the person making the appeal exceeds the amount directed by the Collector of Central Excises and Salt Revenue to be paid, the money deposited in excess of such amount shall be refunded.

(*3*) Every order passed in appeal under this Section shall, subject to the power of revision conferred by Section 13, be final.

13. *Revision by the Central Board of Revenue.*—The Central Board of Revenue may, on the application of any aggrieved person, reverse or modify any decision or order made under Section 5, 6, or 12.

14. *Rebate on export.*—The Central Government may, by notification in the official Gazette, make rules to provide for the grant of a rebate of the duty paid under this Ordinance on sugar which is afterwards exported to any country outside India.

15. *Bar of legal proceedings.*—No suit, prosecution or other legal proceeding shall lie against any person for anything done or in good faith intended to be done under this Ordinance.

16. *Saving of other laws.*—The provisions of this Ordinance shall be in addition to and not in derogation of any other law for the time being in force in relation to the levy of central duties of excise on sugar.

Calcutta, the 31st December 1943.

Third Forecast of the Cotton Crops of Bengal, 1943-44.

(*Note*.—On an average of the 5 years ending 1941-42, the area under cotton in the territories to which this forecast relates has represented in the province of Bengal some 0·3 per cent. and that in the Tripura State some 0·1 per cent. of the total area sown under cotton in India.)

There are two crops, early and late. The early crop is chiefly grown in the Chittagong Hill Tracts, Tripura State and Mymensingh as also to small extent in other districts. The late variety is grown mainly in Bankura and Midnapore.

Character of the season.—The weather has, on the whole, been favourable, and the present condition of the crop is fair except in Chittagong Hill Tracts where it is reported to be poor due to lack of proper care on the part of the cultivators.

Area sown.—The total area sown with the early cotton this year is returned at 83,768 acres as against 106,286 acres both in the corresponding and final forecasts of last year and that with the late variety to be 145 acres against 395 acres both in the corresponding and final forecasts of last year.

Outturn.—The outturn of the early crop this year is estimated to be 21,580 bales against 31,852 bales both in the corresponding and the final forecasts of last year and that of the late variety to be 58 bales this year against 70 bales both in the corresponding and final forecasts of last year.

3. (2) The municipality may recover all expenses incurred by the Health Officer or a Sanitary Inspector in carrying out the measure under regulation 3 from the person or persons to whom the notice was originally issued.

Where the permit-holder is a fleet-owner, he shall produce before the Area Rationing Authority his copy of the return in Form 2 together with a statement showing the serial numbers of the tyres acquired by him under the permit and of the tyres surrendered to the supplier, and the Area Rationing Authority shall make the necessary changes in both copies of the return and send back to the fleet-owner his copy of the return.

(3) If the supplier is unable to supply from stock the tyres or tubes specified in the permit, or wishes to replenish his stocks and Part II of the permit has not been detached by the Area Rationing Authority under clause 10, he shall detach Part II of the permit and send it with his indent to the manufacturer or retreader.

(4) Any manufacturer or retreader furnishing a supplier with tyres or tubes on an indent made under sub-clause (3) shall endorse at the appropriate places in Part II of the permit the manufacturer's serial numbers of the tyres so furnished, detach the portion to be retained by him and return the remaining portion to the Area Rationing Authority which issued the permit.

(5) The supplier shall, within seven days of delivering the tyres or tubes specified in the permit to the permit-holder,

(a) endorse on the relevant portion of Part I of the permit the manufacturer's serial numbers of the tyres supplied by him and send the permit to the Area Rationing Authority which issued it;

(b) deliver or despatch (by goods train 'freight to pay', but otherwise free of charge) to the Government Scrap Rubber Depot specified in the permit the old tyres and tubes surrendered under sub-clause (1):

Provided that where the railway is unable to book the old tyres or tubes, the supplier shall obtain from the station authorities an endorsement to that effect on the forwarding note and send the note as so endorsed to the Government Scrap Rubber Depot.

12. *Retreading by recognised retreaders only*—No person other than a recognised retreader shall retread any used tyre.

13. *Permits for retreading tyres and for supply of retreaded tyres.*—No person shall supply any retreaded tyre to another person, or retread any used tyre belonging to another person except against the surrender by that other person to the supplier or the retreader of a valid permit in Form 6 authorising such supply or retreading, and in accordance with the conditions and instructions appearing on such permit:

Provided that nothing in this clause shall apply to the supply of retreaded tyres or the retreading of used tyres—

(i) under a general or special order of the Central Government or of any Provincial Government or of the Controller or Deputy Controller of Rubber; or

(ii) in pursuance of a contract entered into with the Chief Controller of Purchase (Supply); or to the retreading of any used tyre which is the property of the Central Government.

14. *Application for permits in Form 6.*—(1) Any person wishing to obtain a permit for the supply to him of a retreaded tyre or the retreading of his used tyres shall, after completing an application in Form 7, have the form of certificate appended thereto completed by the supplier or retreader to whom he proposes to entrust the work, and then submit the application along with the registration certificate of the vehicle to the Area Rationing Authority having jurisdiction in respect of the vehicle on which those tyres are used.

(2) A separate application shall be made in respect of each such vehicle.

15. *Procedure for supply of retreaded tyres and retreading tyres.*—(1) A permit for the supply of a retreaded tyre shall ordinarily be issued only in respect of the replacement of a tyre which is fit for retreading.

(2) A person to whom a permit in Form 6 has been granted by the Area Rationing Authority shall hand over the permit to the supplier or retreader named therein and where the permit is for the supply of a retreaded tyre, shall also surrender free of charge to the supplier or retreader the retreadable tyre for the replacement of which the permit is granted.

(3) No recognised supplier shall, without reasonable cause, refuse to supply retreaded tyres against any permit in Form 6 which specifies him as the supplier; and no recognised retreader shall, without reasonable cause, refuse to retread used tyres against any valid permit in Form 6 which specifies him as the retreader.

(4) Within ten days of taking delivery of the retreaded tyres for which a permit has been granted, the permit-holder shall, unless he is a fleet-owner, produce before the Area Rationing Authority the registration certificate of the vehicle concerned, and the Area Rationing Authority shall enter therein the manufacturer's serial numbers of the retreaded tyres fitted to the vehicle as recorded in the permit. Where the permit-holder is a fleet-owner, he shall produce before the Area Rationing Authority his copy of the return in Form 2, together with a statement showing the manufacturer's serial numbers of the retreaded tyres and of the tyres, if any, surrendered to the supplier, and the Area Rationing Authority shall make the necessary changes in both copies of the return and send back to the fleet-owner his copy of the return.

(5) The retreader to whom a permit in Form 6 is surrendered in accordance with the provisions of clause 13 shall, after endorsing thereon the manufacturer's serial numbers of the tyres received by him and the serial numbers of the retreaded tyres supplied by him, return the permit to the Area Rationing Authority issuing it.

16. *Utilisation of tyres and tubes by stockists.*—(1) No stockist shall utilise any tyre or tube in his possession for fitment to any vehicle whether belonging to him or to another person except under a valid permit in Form 8 issued to him in that behalf.

(2) Any stockist wishing to obtain a permit in Form 8 shall make an application in Form 9 to the Area Rationing Authority having jurisdiction in respect of the vehicle for which the tyre or tube is required. A separate application shall be made in respect of each such vehicle and submitted to the Area Rationing Authority together with the registration certificate, if any, of the vehicle.

(3) The Area Rationing Authority shall, when issuing a permit in Form 8 for the fitment of tyres to a motor vehicle, record in the registration certificate of the vehicle the manufacturer's serial numbers of the tyres to be fitted.

(4) A stockist shall within seven days of obtaining a permit in Form 8 deliver or despatch (by goods train 'freight to pay', but otherwise free of charge), to the Government Scrap Rubber Depot specified in the permit the old tyres and tubes, if any, removed from the vehicle:

Provided that where the railway is unable to book the old tyres or tubes, the supplier shall obtain from the station authorities an endorsement to that effect on the forwarding note and send the note as so endorsed to the Government Scrap Rubber Depot.

17. *Period of validity of permits.*—Any permit issued under this Order shall be valid only for the period specified therein.

19. *Prohibition of transfer of permits.*—No person shall transfer to any other person any permit issued to himself under the provisions of this Order.

20. *Prohibition of tampering with manufacturer's serial numbers on tyres.*—No person other than a recognised retreader or manufacturer shall obliterate or alter the manufacturer's serial numbers on any tyre.

21. *Prohibitions as to possession, etc., of unserviceable tyres and tubes.*—No person other than a recognised reclaim manufacturer shall—

(b) save with the permission of the Controller of Rubber, use for any purpose, or destroy, any unserviceable tyre or tube;

(c) shall sell or otherwise dispose of any unserviceable tyre or tube except in accordance with the provisions of this Order;

Provided that any Provincial or Area Rationing Authority may permit the owner of an unserviceable tyre or tube whose application for a permit is pending consideration to retain it until the application is disposed of.

22. *Disposal of unserviceable tyres and tubes.*—Any person wishing to dispose of an unserviceable tyre or tube shall deliver or despatch (by goods train, 'freight to pay') to the nearest Government Scrap Rubber Depot which shall pay for it at such rates as may be fixed by the Central Government in this behalf.

23. *Forfeiture of unserviceable tyres and tubes.*—If any person contravenes the provisions of clause 21, any court trying such contravention may, in addition to any punishment to which it may sentence him, direct that the unserviceable tyres or tubes in respect of which the contravention has been committed shall be forfeited to His Majesty.

24. *Production of vehicles for inspection of tyres and tubes.*—An Area Rationing Authority may require an applicant for a permit under this Order to produce the vehicle in respect of which the application is made for an examination of its tyres and tubes, including any spare tyres or tubes he may have in his possession, and may issue such directions concerning the replacement or retreading of tyres as it thinks fit; and the applicant shall comply with such directions.

STATEMENT OF OBJECTS AND REASONS.

Experience of the working of the Bengal Tanks Improvement Act, 1939, shows that it is almost impossible to recover water rates for tanks improved under the Act, on a voluntary basis, as provided under section 16(*2*) of the Act and that it is essential that water rates should be made compulsory in order that full benefit might arise out of the improvement of irrigation tanks which has been taken up on a large scale in areas affected by drought. It has also been found necessary to make provisions for (*1*) empowering the Collector to modify the period of possession subject to the maximum period of twenty years in order that the cost with interest incurred by the authorised person may be realised within such period, (*2*) taking possession of any land adjoining a derelict tank that may be considered necessary for the purpose of carrying out improvements in the tank, (*3*) making only agricultural lands assessable to fees under the Act and (*4*) barring out the accrual of occupancy rights on the lands adjoining a derelict tank or its banks that may be leased out by the authorised person under section 18. The Bill has been framed with these objects in view.

The rent of a non-agricultural tenant holding a tenancy specified in any of the sections 5 to 12 may be reduced by the Court if the Court considers that the rate of rent payable by the tenant is unfair and inequitable, and in determining what rent is fair and equitable under this section the Court shall have regard to the provisions of sub-section (*3*) of section 21.

CHAPTER VI

Other incidents of tenancies held by non-agricultural tenants.

Manner of use of tenancies.

25. Subject to the provisions of this Act a non-agricultural tenant holding a tenancy to which the provisions of this Act apply may use the land comprised in such tenancy in any manner which is not inconsistent with the purposes of such tenancy and which does not materially impair the value of the non-agricultural land comprised in such tenancy.

Erection of *pucca* structure, etc., on non-agricultural tenancies for homestead or residential purposes.

26. A non-agricultural tenant holding a permanent tenancy specified in section 5, or section 6 shall be entitled—

(*a*) to erect any *pucca* structure,

(*b*) to dig any tank, and

(*c*) to plant, enjoy the flowers, fruits and other products of, fell and utilise or dispose of the timber of, any tree on the land comprised in his tenancy.

No ejectment except in execution of decree.

27. No non-agricultural tenant shall be ejected from the tenancy or from any non-agricultural land which he holds except in execution of a decree of a competent Civil Court.

Application of the transfer of Property Act, 1882 or other law.

28. The provisions of the Transfer of Property Act, 1882 and of any other law for the time being in force, in so far as they may be applicable and in so far as they are not inconsistent with the provisions of this Act shall continue to apply to all tenancies to which the provisions of this Act apply. IV of 1882.

CHAPTER VII.

Miscellaneous.

Act not to apply to leases for forest, fishery and mineral rights

29. Nothing in this Act shall apply to any lease in respect of any forest-rights or rights over fishery or rights to minerals in any non-agricultural land.

Certain contracts not to affect the provisions of the Act.

30. Nothing in any contract between a landlord and a tenant made after the commencement of this Act shall take away or limit the rights of such tenant as provided for by this Act, and any contract which is made in contravention of the provisions of this section or which is inconsistent with, or purports to alter the effect of, any of the provisions of this Act, shall, to the extent of such contraventions or inconsistency or to the extent it purports to alter such effect, be void and without effect.

The Bengal Non-Agricultural Tenancy Bill, 1944.

(Clauses 31—33.)

Jurisdiction in proceedings under this Act.

31. When under this Act a Court is authorized to make an order on the application of a landlord or a tenant, the application shall be made to the Civil Court which would have jurisdiction to entertain a suit for possession of the non-agricultural land comprised in the tenancy in connection with which the application is brought.

Application.

32. The provisions of this Act shall have effect in respect of all suits or proceedings including proceedings in execution for ejectment of a non-agricultural tenant which are pending at the date of commencement of this Act.

Rules.

33. (*1*) The Provincial Government may, subject to the condition of previous publication, make rules for carrying out the purposes of this Act.

(*2*) In particular and without prejudice to the generality of the foregoing power, such rules may provide for all or any of the following matters, namely :—

(*a*) the manner in which the landlord or the tenant may apply to the Court under sub-section (*2*) of section 7 ;

(*b*) the forms of the notices referred to in sections 14 and 15, the manner of service of such notices and the amount of the process fees referred to in the said section ;

(*c*) the manner in which the landlord's fees referred to in section 15 shall be transmitted to the landlord, the costs of transmission of such fees and the manner of payment of the landlord's fees and cost of transmission under sub-section (*12*) of that section ; and

(*d*) the determination of a fair and equitable rent referred to in sub-section (*3*) of section 21.

STATEMENT OF OBJECTS AND REASONS.

Government have considered the Report of the Non-Agricultural Land Enquiry Committee and are of the opinion that notwithstanding the provisions of the Transfer of Property Act, 1882, the non-agricultural tenants who hold lands under a lease for residential, business, manufacturing or other purposes are in need of better security. It is obvious, however, that the degree of protection cannot be the same for all classes of tenants and it has been considered necessary to make a distinction between tenancies which are—

(*1*) of unknown origin or which originated from before the Transfer of Property Act, 1882 ;

(*2*) held under a written lease for a specified period of not less than twelve years ;

(*3*) held under a written lease but without specification of any period or without a written lease but originating from after the Transfer of Property Act, 1882, in either case the period of possession not being less than twelve years ;

(*4*) held under a written lease or otherwise for a period of more than one year but less than twelve years.

It is proposed to confer permanent, heritable and transferable rights on all tenants coming under (*1*). Lessees under (*2*) should have a right of renewal on fair and equitable terms, but in case the lessor has allowed a *pucca* structure to be constructed on the land, the tenant should have the status of a permanent lessee irrespective of the period of occupation. Lessees under (*3*) should have a permanent heritable right. All holdings coming under (*2*) and (*3*) should be transferable on payment of a landlords' transfer fee. A perversion of user or a breach of a condition of the contract should be the only grounds on which a tenant under (*1*), (*2*) and (*3*) can be evicted. In case of tenants under (*4*) provision has been made for payment of compensation under certain circumstances in case of eviction.

The Bill has been drafted to provide for these protective rights and also to confer other incidental but necessary rights on the non-agricultural tenants of the different classes.

Saving.

3. Notwithstanding anything contained in section 2 where any person who, but for this Act, would have been entitled to any property, has been in possession thereof or has before the 13th January 1944 made a transfer thereof, his possession up to the date of the commencement of this Act shall be deemed to be as lawful, and the transfer so made by him shall be deemed to be as valid, as if this Act had not been passed.

(*2*) The Board may recover all expenses incurred by the District Health Officer in carrying out the measure under regulation 4 from the person or persons to whom the notice was originally issued.
